

'Lovingly made by five generations since 1898'

The Oxford Dictionary definition of **'Aglow'** in English:

ADJECTIVE Glowing: *she was
aglow with health*

Uncle Joe's Mint Balls 'Keep You All Aglow'

We use the pure golden brown cane sugar from these sugar canes,

**mix with the cream of tartar from these
grapes,**

Then blend with the finest
peppermint oil from these
peppermint plants

**We hand
cook to
caramelize
and rest to
cool**

To create what is described as a 'Pure & Good' mint, naturally dark in colour and uniquely warming rather than cooling

Now individually flow wrapped, offering an even fresher product.....

**A lovable
